PREMIER SPONSOR

Hosted at the renowned Lambton Golf Club, this golfing experience is both a trip to the past and the future. Originally constructed in the early 1900s, for over a century the 18-hole Championship Course and nine-hole Valley Course have offered golfers a traditional parkland-style challenge – nestled within a picturesque backdrop of scenic slopes, beautiful waterways and native foliage. Recently redesigned to meet the needs of the modern game, the stunning fairways were made even more impressive by legendary golf architect Rees Jones, known for his spectacular work designing and enhancing US Open venues and other PGA sites.

All proceeds from this tournament will go to Haven on the Queensway's programs such as the Food Bank, Haven's Closet, Haven Helping Seniors, Hope with Wheels and many others. We serve over 6,000 individuals and families in need each month through these programs. The Haven offers an atmosphere of respect, dignity, and support. We help the less fortunate to become more self-sufficient and to eventually integrate fully into society with hope and confidence.

With your generous support, we will be able to continue providing hope and practical help to those in need in our local community and the GTA.

HAVEN ON THE QUEENSWAY

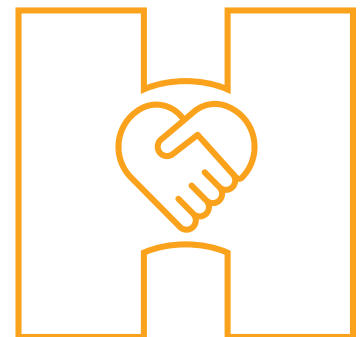

The annual Haven on the Queensway Golf Tournament and Dinner is a scramble format golf tournament with many fun games and prizes to challenge and entertain golfers of all levels. Following golf there is a sumptuous dinner along with a silent auction.

This event raises funds for Haven on the Queensway, a registered non-profit charity helping the less fortunate in Toronto and Etobicoke. The tournament will be held at the prestigious Lambton Golf and Country Club. We hope you will be part of this great event!

Haven on the Queensway is non-profit organization dedicated to enhancing the quality of life for those in need by providing food, clothing, and other resource. Our five core programs – First Care, Food Bank, Haven’s Closet, Haven Helping Seniors, and Hope with Wheels – are tailored to address different aspects of poverty and homelessness.

Over the years the Haven has developed many partnerships with local businesses, community organizations and churches who come alongside the Haven to provide relief to people in crisis situations. The Daily Bread Food Bank and Second Harvest are two such partners.

To those who come through our doors, we offer an atmosphere of respect, dignity, and security as we help clients on their way to self-sufficiency. People and families impacted by poverty are equipped to move forward to become self-sufficient, through our programs and services. We aim to offer hope to our community members and give them the support they need to overcome the obstacles and meet the challenges in their lives.
