CLIENT NEWS

HAVEN HELPS - SNAPSHOT

Sheila is a single mom and a regular Food Bank client at the Haven. Her six year old daughter is on the autism spectrum and life has been difficult. Sheila broke down in tears one day while making her weekly Haven visit. She had just discovered she was pregnant with twins and was completely overwhelmed with even the idea of dealing with two babies on her own – she didn't even know where to start.

Once she was made aware of the help she could receive through the Haven's First Care program, Sheila was absolutely thrilled and no longer felt alone and scared. The twins were born healthy and she brings them with her every week to the delight of our volunteers!

CORONA-WHAT?

Haven on the Queensway will be closely monitoring the situation and will keep you informed of any updates. Please know that The Haven on the Queensway will continue to provide our services to our clients and community to the best of our abilities. We will be taking the necessary precautions in order to keep our staff, volunteers and clients safe and healthy. Our food bank & first care will continue to serve clients by appointment and pick up only. For updates on all our programs please visit havenontheq.com or call 416-640-2005

Every Monday, when a customer buys a pie at either location (The Queensway and Square One) the Pie Commission gifts Haven a pie.
