

## SUMMER IS ALMOST HERE!

### FOOD BANK

Our Food Bank serves over 600 clients weekly, distributing approximately 96,000 pounds of food annually. We focus on meeting the growing issue of food insecurity in South Etobicoke by providing healthy fresh produce and a variety of non-perishable goods. With the help of our amazing volunteers, we provide dignified, efficient service to our food bank clients. We also provide household and personal hygiene items in partnership with Second Harvest Food Rescue and Daily Bread Food Bank.

Recently we received a client's feedback full of gratitude emphasizing that our Food Bank provides healthy and fresh choices to them. We are so glad to contribute to people's well-being this way as well!

### HAVEN'S CLOSET

At Haven's Closet, we have the privilege of helping people from all walks of life, not only our Toronto community but also our broader global community. This includes new immigrants and refugees from across the world, most recently from Ukraine. Several families who arrived with only winter wear have been relying on us for comfortable summer clothing. We've also been helping various non-profit groups by supplying linens and kitchenware for new arrivals. We thank you for your donations to help those

escaping conflict.

Haven's Closet is currently in need of NEW underwear for women and children in all sizes.

## HAVEN HELPING SENIORS

Celebrating Seniors Month  
with your family at

### June is Seniors Month in Ontario! Let's celebrate together!

At the Haven, we appreciate and recognize the seniors in our community. Whether as our guests, volunteers or donors, they always bring experience, knowledge and joy to our organization. During this month we invite you to celebrate the seniors in your community and show them your appreciation for their contributions to our society. For more information about the province-wide celebrations and other resources click [here](#).

## FIRST CARE

The First Care Program's priority is to offer continuous support to pregnant women and new parents of newborns up to 3 years of age by providing food aid, clothing, diapers, formula, and moral support. Since the start of COVID-19, we have seen an increase in the number of families accessing our program. In addition, we have welcomed families referred from the Maternal and Child Program: Humber River Hospital, Birth Mark Support, Cota Health Services, and other agencies. Currently, there are over 223 families registered with us, and this number is increasing periodically. Our goal is to provide for parents most in need in our community.

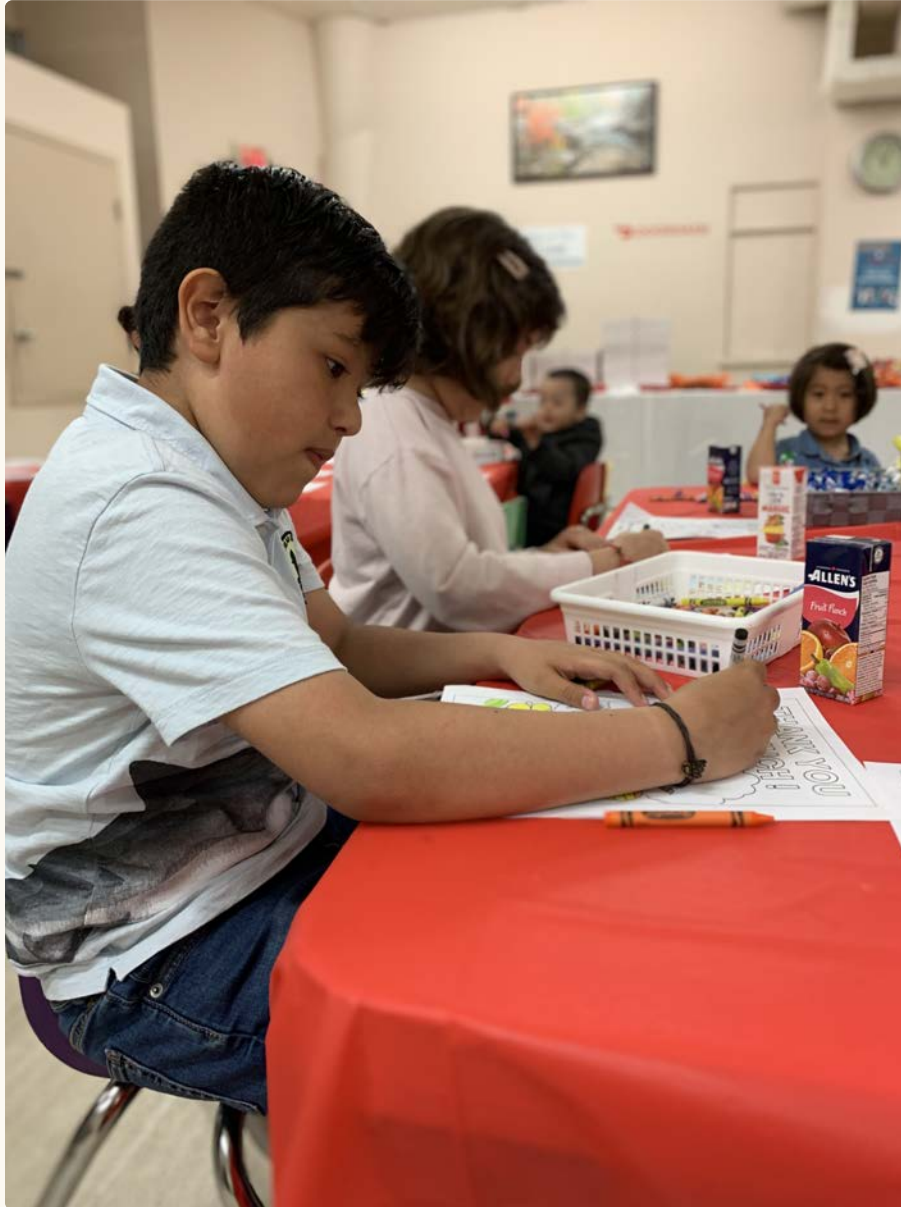

We are pleased to introduce one of our moms who recently signed up for our program and has been a regular client for the past month. She is a mother of two young children and currently expecting her third child. She was in urgent financial need and now resides at a local shelter. She had no one to turn to and contacted us through an interpreter because of a language barrier. Thanks to you and your generous donations, we were able to provide her and her family with the assistance she needs.

We would like to express our genuine gratitude for the partnership with Doordash. Their financial support makes it possible for our parents to receive monthly gift cards representing additional financial aid for their family budget.

Thanks to this fruitful collaboration with Doordash, on May 16, we had the opportunity to celebrate our First Care Gathering event. Forty families came together for a fantastic celebration dedicated exclusively to our little ones: attendees could enjoy crafts, a children's magic show and receive gift bags and cards.

We would like to express our special thanks to Mr. Brian Kaufmann and the Doordash team, our diligent and wonderful volunteers, and the entire Haven team for making this fantastic event possible.

**A BIG THANK YOU TO OUR  
HOPE WITH WHEELS VOLUNTEER!**

At the Haven, we are always striving to improve our volunteers' experience. Thank you so much to those who responded to our volunteer survey. The results are very encouraging and will help us to streamline our processes.

We want to congratulate Adrian, who has been volunteering at the Haven

since day one with our Hope with Wheels program. Currently, he prepares chili for every Tuesday's HWW outing, which our downtown friends love.

"It's been 20 years since I started volunteering for Hope with Wheels. I remember I was still in university when I started. Back when it was run out of the Church [on the Queensway], it was called Hopewheels. I was going out with the team back then. What keeps me volunteering with HWW is wanting to do good [for the poor]," - shared Adrian.
